Dear Naperville Citizens,

It is my pleasure to present the 30th edition of the Crime Prevention Calendar. Thank you to the following sponsors for their support in creating and printing the 2016-17 calendar: Naperville Community Unit School District 203, Indian Prairie School District 204, All Saints Catholic Academy, Bethany Lutheran School, Calvary Christian School, Ss Peter & Paul School, St. Raphael School, The Naperville Exchange Club, Naperville Junior Woman's Club, and Naperville CrimeStoppers. The calendar project provides elementary school children in our community the opportunity to create artwork depicting important crime prevention messages.

This year's cover photo features School Resource Officers (SROs) and the Copenhagen Schoolhouse located on the grounds of Naper Settlement. The School Resource Officers play an important role in our schools in Districts 203 and 204 by developing and maintaining positive relationships with the students, faculty, and school communities they serve. School Resource Officer support began in the Naperville area schools in the year 2000. The SROs work collaboratively with their schools to facilitate proactive and preventative programming as well as partner with school staff to maintain safe learning environments for all students.

The original Copenhagen Schoolhouse was built in the late 1840s and was utilized as a school until approximately 1922. The one room schoolhouse was located at the southeast corner of Route 59 and 83rd Street. Along with a small church and a few farms, it made up the community once known as Copenhagen Corners. Following an inspection of the building from an historical architect in 1981, the original Copenhagen School was determined to be beyond repair or restoration. As a result, the Naperville Heritage Society decided to replicate the structure as the last one-room school from the Naperville area. This reconstruction of the old schoolhouse is seen on the Settlement grounds today and is featured on this calendar cover as the setting for the School Resource Officers and current Naperville school children.

While the physical structures of our schools have certainly grown and changed over the years, the constant is that our community is fortunate to have successful school systems which work collaboratively with the citizens and police in order to educate students and keep them safe. Thank you to the generations before us in the little school that taught large lessons and the students who created artwork represented in this calendar.

Sincerely,

Robert W. Marshall, *Chief of Police*

# Celebrating 30 Years of Crime Prevention Calendars

**ParentsMatterToo is a network of connected parents committed to providing nonjudgmental opportunities to share struggles, provide support, and ultimately strengthen the fabric of our families and community.**

We believe in building resilient kids and families who say NO to destructive behaviors and YES to endless possibilities. This program offers parents a safe environment to discuss at-risk situations and be strengthened to challenge our children's choices about social issues, drugs and alcohol. We do that through:

*Our Interactive Website, with answers from local professionals and links to the most trusted national experts. This knowledge empowers parents to be the strong positive influence their children need.*

*Conversation Circles, guided small groups, held throughout the community. Conversation Circles are opportunities for parents to share life experiences, discuss parenting situations, and gain knowledge and support.*

*Speakers providing expert information to help parents become knowledgeable and influential, gaining skills they need to effectively challenge our children's choices.*

# Parents Matter Too

Presents:

## Parent Conversation Circles

*Influential parents raising resilient kids in strong families*

As a parent, what do you need to  
**Know, Say, and Do**  
to keep your kids on the right track?

# Know Say Do

**Parent Conversation Circles are a safe place to connect with others and strengthen our Naperville Area Community to enjoy the benefits of shared parenting. You'll engage with ParentsMatterToo resources and gain confidence in knowing where to turn for parenting answers.**

Our kids need to know that they don't need to drink, or smoke, or take anything to be different than they are right now. The 3 main parenting concepts in Parent Conversation Circles empower parents to provide a dependable, accepting, open relationship which sends that very message. In just 3 sessions parents will:

- Articulate their values and share them with their kids.
- Notice and accept the things that make their children unique.
- Gain skills for deepening a relationship with each of their children.

### EMERGENCY NUMBERS

**Fire - 911    Police - 911**

Non-emergency Naperville Police Department – 420-6666

To the Naperville community:

As we celebrate the 30th year of the Naperville Crime Prevention Calendar, it makes me pause and reflect on how our city has changed during that time. Naperville has grown considerably, both in size and population, and has become a nationally renowned place to live, work and explore.

These accolades are not possible without the help of our residents and businesses and a shared sense of responsibility for Naperville's success. Our commitment to crime prevention led us to be named the Safest City in America by Niche.com in both 2015 and 2016. This type of award doesn't happen by accident; we have an outstanding Police Department that proactively works with our community to ensure a vibrant place for all of us to call home.

On behalf of the City, thank you to the Naperville Police Department, Naperville Exchange Club, Naperville Junior Woman's Club, Naperville Community Unit School District 203, Indian Prairie School District 204, Naperville CrimeStoppers, All Saints Catholic Academy, Bethany Lutheran School, Calvary Christian School, Ss. Peter and Paul School and St. Raphael School for their ongoing partnership on this project.

When you hang this year's calendar in your homes, you are hanging up three decades of crime prevention tradition. Our community may change, and those who designed pages in the calendar long ago might now be sharing this year's calendar with their children, but our desire for a crime-free community has not. Congratulations to this year's calendar artists, and thanks to their schools, teachers, parents and fellow students for helping them to inspire us all to keep Naperville the safest city in the country.

Sincerely,  
Mayor Steve Chirico  
City of Naperville
