UNIT OF STUDY

All About Me

CLASSROOM HIGHLIGHTS

Our first days of school were spent learning school related activities and routines. We played games to learn the names of classmates and teachers. We learned about the daily schedule. We learned about the different learning areas available for play in our classroom during Choice Time.

For the next two weeks we will be learning more about each other. We will talk about how we are alike and different. We will be talking about what we look like, how we get to and from school, our families, and our likes and dislikes.

Please join me this Wednesday evening, September 10th from 6 to 7 for Curriculum Night. This is a time to learn more about the Ann Reid Early Childhood Center and our daily classroom activities. There will NOT be babysitting during this presentation designed for adults.
